WEST VIRGINIA ATHLETIC
TRAINERS' ASSOCIATION

2021 Virtual Lecture Series

Earn up to 7.5 CEUs

Sunday April 18th 2021

Friday April 23rd, 2021

Sponsored by:

Marshall Sports Medicine Institute

Program Description

The 2021 WVATA lecture series encompasses multiple domains of athletic training. The purpose of the conference is for participants to adapt information provided by program faculty and apply the knowledge within their practice. The focus of this course is administrative skills, emerging practices, and fracture/dislocation management for the athletic trainer. The program is aimed at enhancing the athletic trainer's clinical practice and administrative skills. This year's program will be delivered during two live virtual meetings. Paid attendees will also have access to the content for up to 30 days post-event.

Non-Discrimination Statement:

WVATA does not discriminate on the basis of race, color, national origin, religion, sex, disability, military status, sexual orientation, or age. WVATA is committed to accessibility and non-discrimination in all aspects of its continuing education activities. Participants who have special needs are encouraged to contact program organizers so that all reasonable efforts to accommodate these needs can be made.

Refund Policy:

All sales are final at the time of sale. Cancellations will be credited for the next available conference.

Learning Objectives:

1. Identify signs and symptoms of distress and mental disorders that warrant referral
2. Describe the mental health referral process
3. Describe the role and scope of practice of the athletic trainer in the management of a mental health crisis
4. Establish a mental health network
5. Establish a mental health emergency action plan
6. The attendee will recall the potential personal and professional impact of sports gambling.
7. The attendee will learn the NATA Code of Ethics as it applies to sports gambling by the athletic trainer and protecting patient's private health information.
8. The attendee will apply ethical principles in their professional practice as it relates to refraining from gambling on sporting events and protection of patient's private health information.
9. Identify roles of athletic trainers in a physician's clinic
10. Describe the role of the athletic trainer from traditional role to how to assist and triage in a physician's clinic
11. Identify the emergent issues associated with a dislocation
12. Safely reduce dislocations of various joints
13. Appropriately splint/immobilize the injured area of post reduction
14. Develop written standing orders regarding management of dislocations
15. Describe the athletic trainer's role regarding student mentorship
